Indicate your personal feelings about his/her participation in an international exchange program. Explain why you believe your son/daughter will be an outstanding representative of your family, his/her school and our country.

What portion of the Participation Fee can you and your son/daughter contribute? The amount you can pay does not generally affect the student's eligibility as a candidate in many programs. However, the Board believes the student, as well as the family, should be contributing to the cost of the program.

Please be reminded that this award is not an entitlement. Money is generally not awarded until the end of April or early May since the Dave Hefner International Exchange Fund, Inc. Board is notified in March as to available funding for distribution,
